SECTION 1

INTRODUCTION

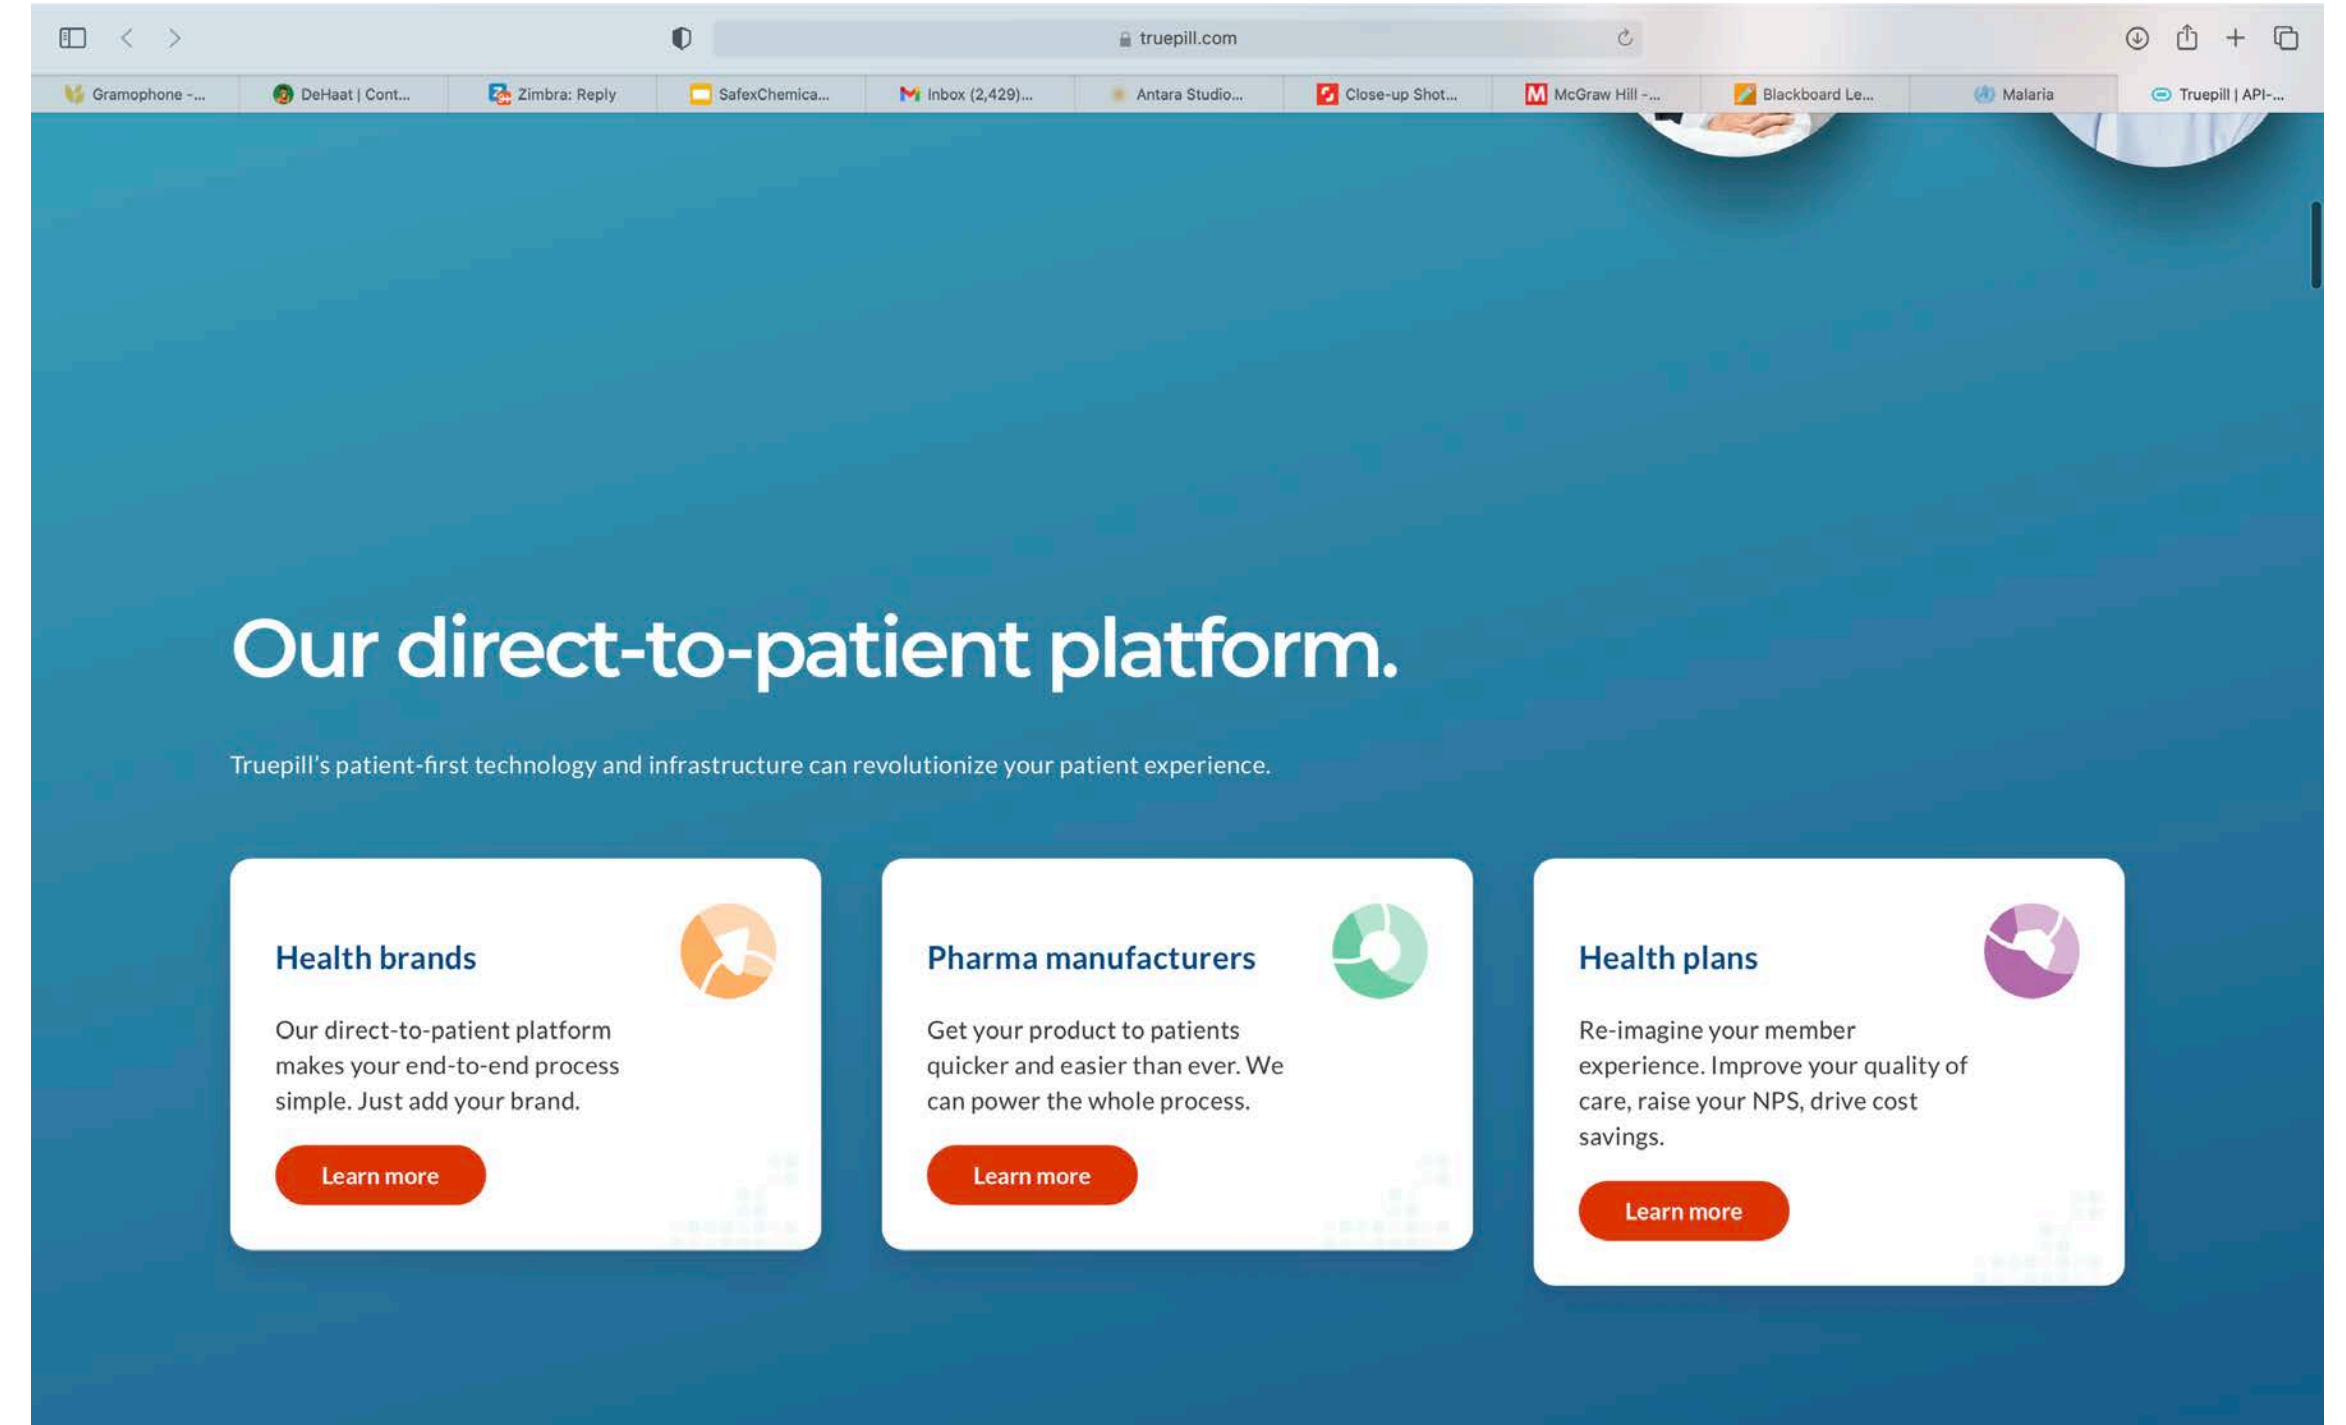

- Tagline:
People who say that small things are not important, have never slept in a room with a mosquito.
- Details:
Mosquitoes spread many serious diseases to humans like Zika virus, West Nile virus, Chikungunya virus, Dengue, many types of Encephalitis Virus (brain infection), Yellow fever and Malaria. In 2019, nearly half of the world's population was at risk of malaria. They are a serious health hazard & it is has been our mission to find effective solution against them for past 26 years.

SECTION 2

QUALITY IS KEY

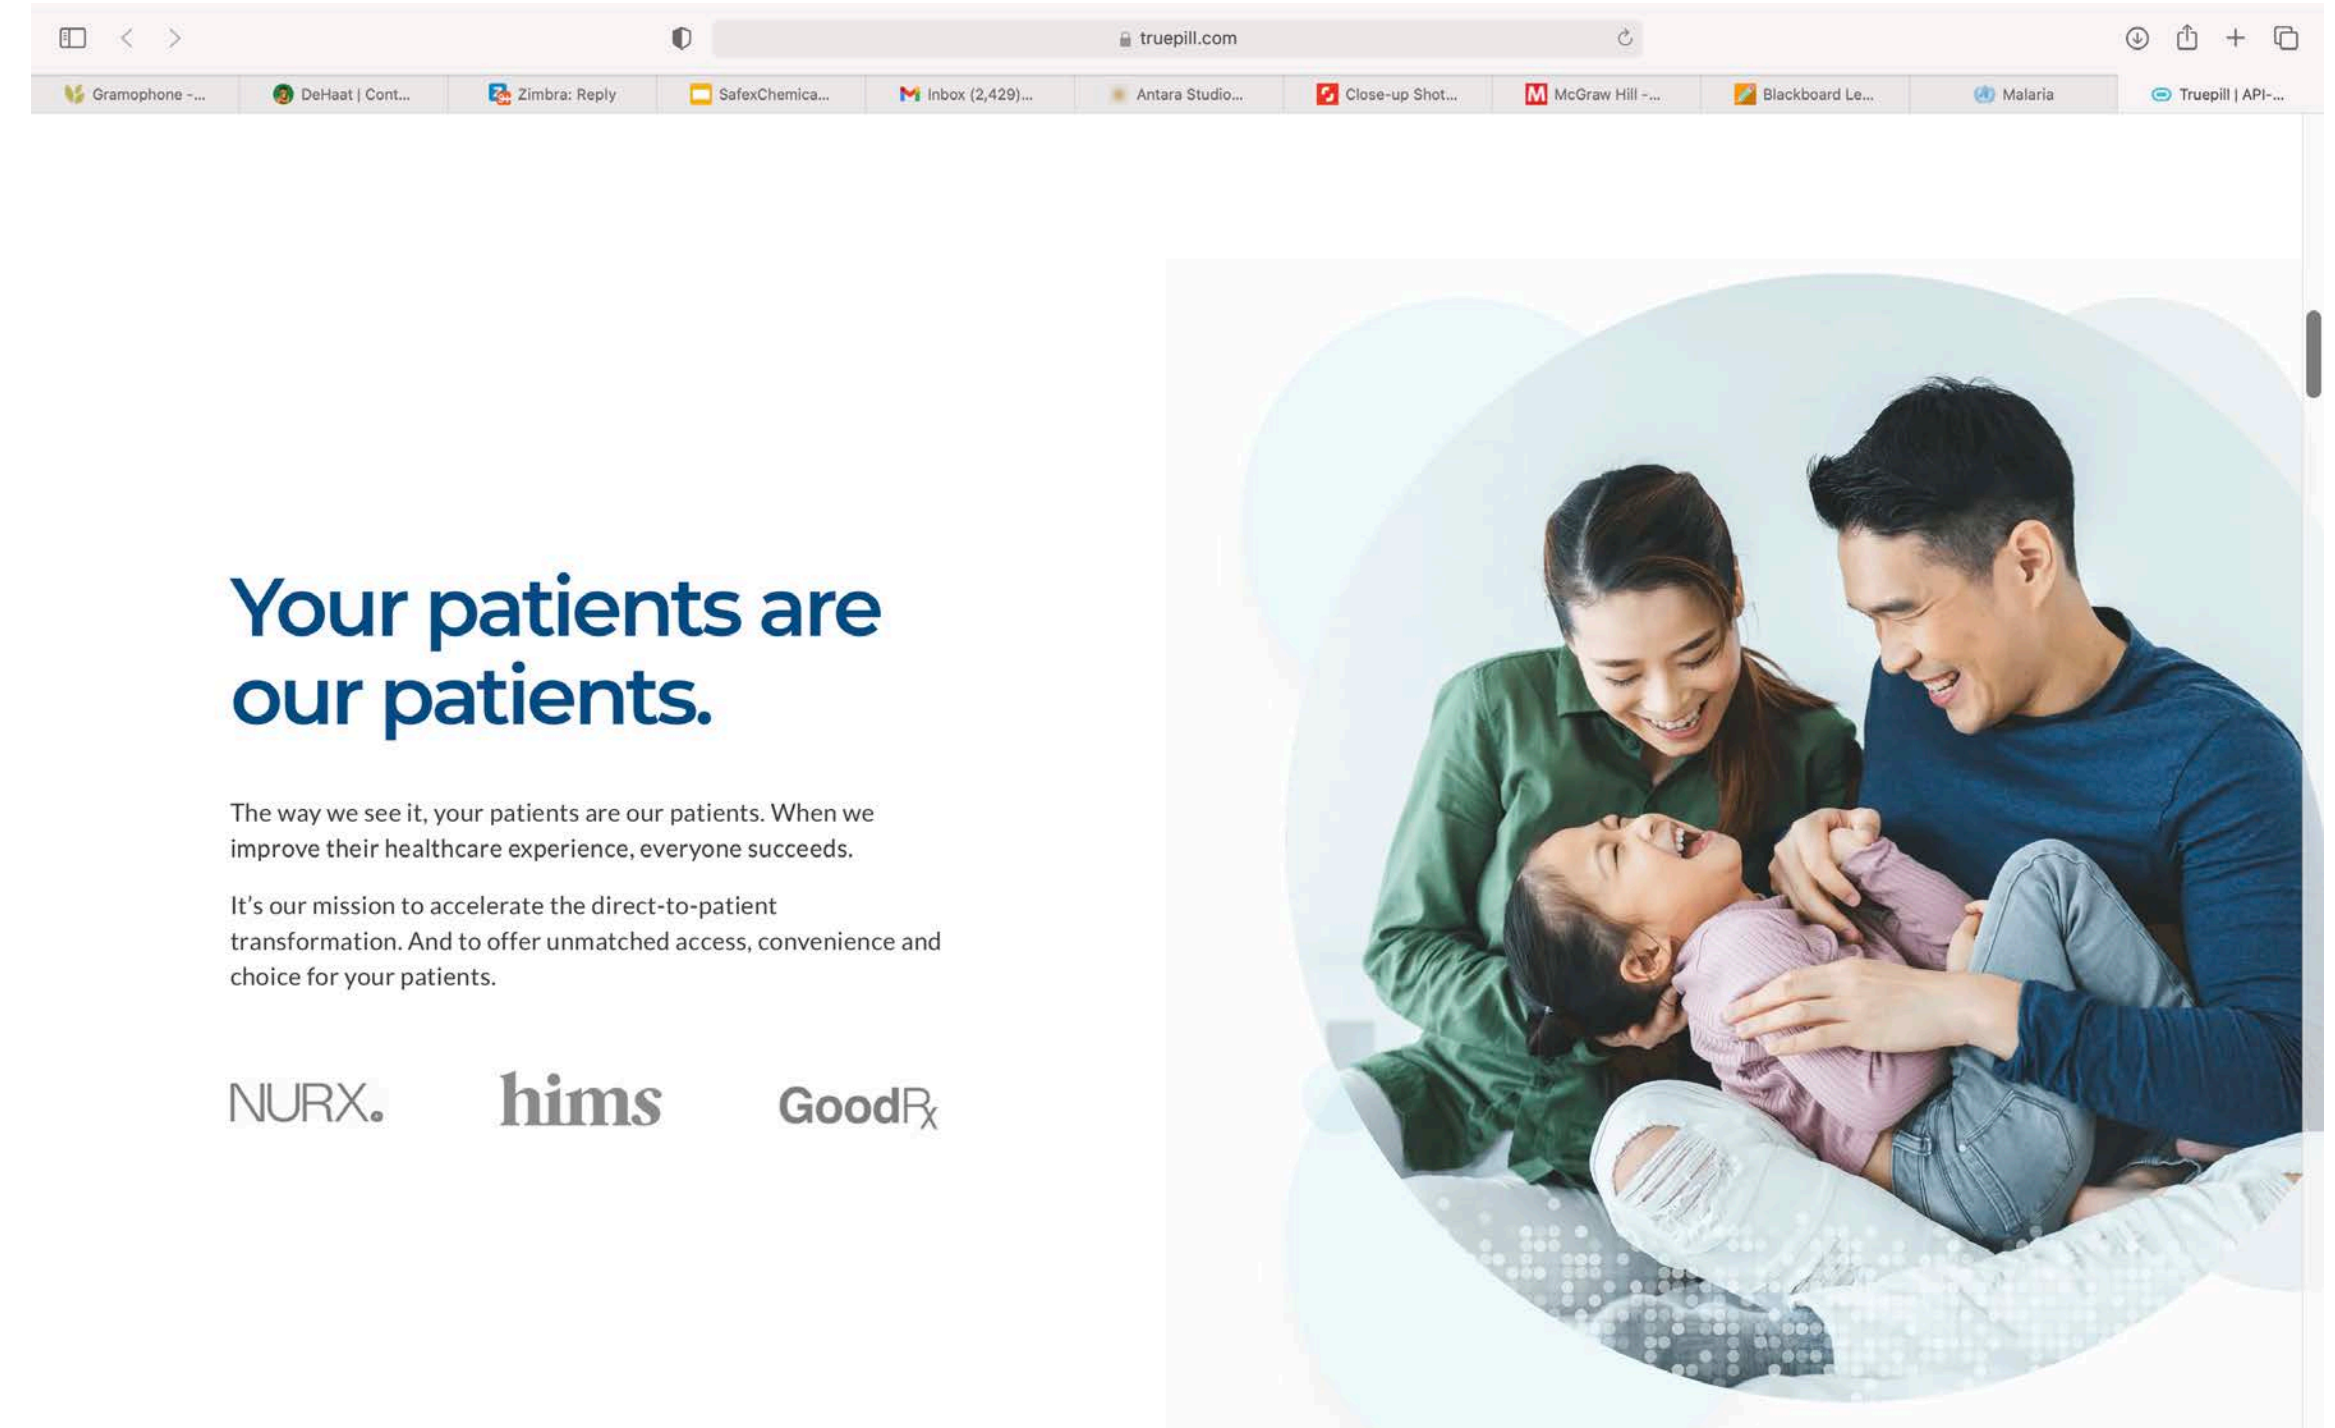

- Text:
We're constantly working to improve Quality and Consistency of our products. Our production facility and lab are armed with impressive equipment, modern analytical devices and quality control methods with professional manpower.
- Icons:
ISO (for now)

SECTION 3

OUR MISSION

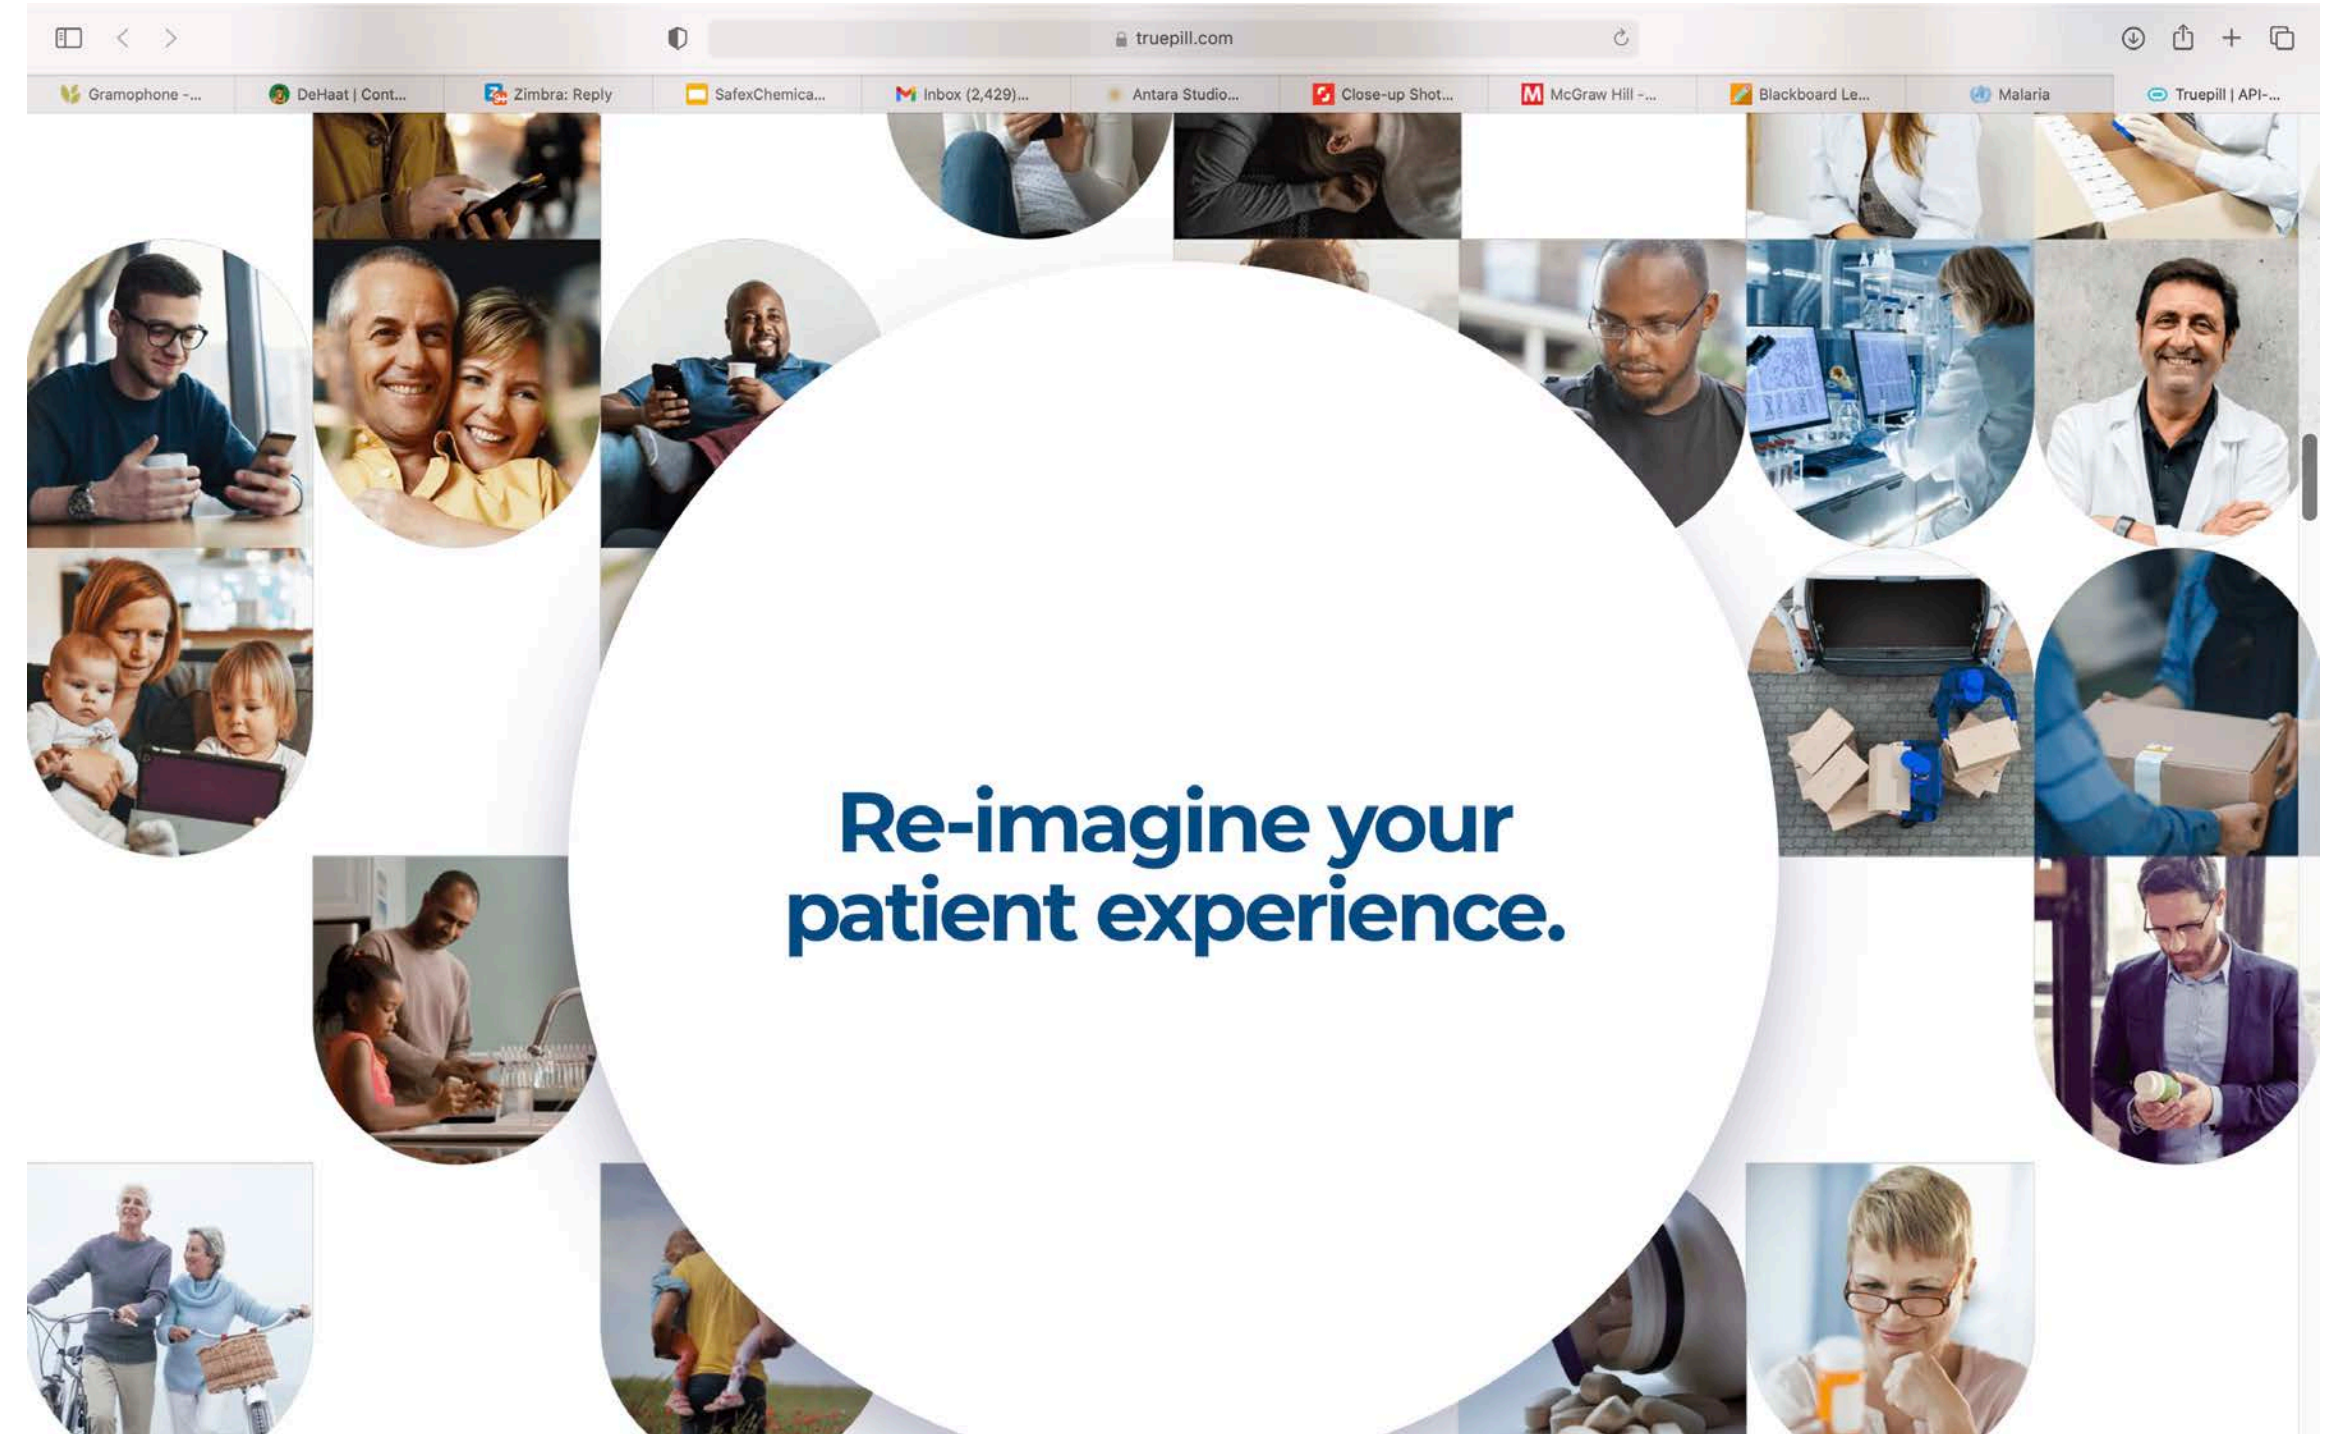

- Tagline:
In 2019, there were an estimated 229 million cases of malaria worldwide alone.
- Details:
These diseases carry high risk to individual and national health. The way we see it, it is our duty to help protect as many as we can. When we improve an individual's health, everyone succeeds. It's our mission to accelerate the household insecticide transformation. And to offer unmatched access, convenience and choice to everyone.

SECTION 4

LEGACY

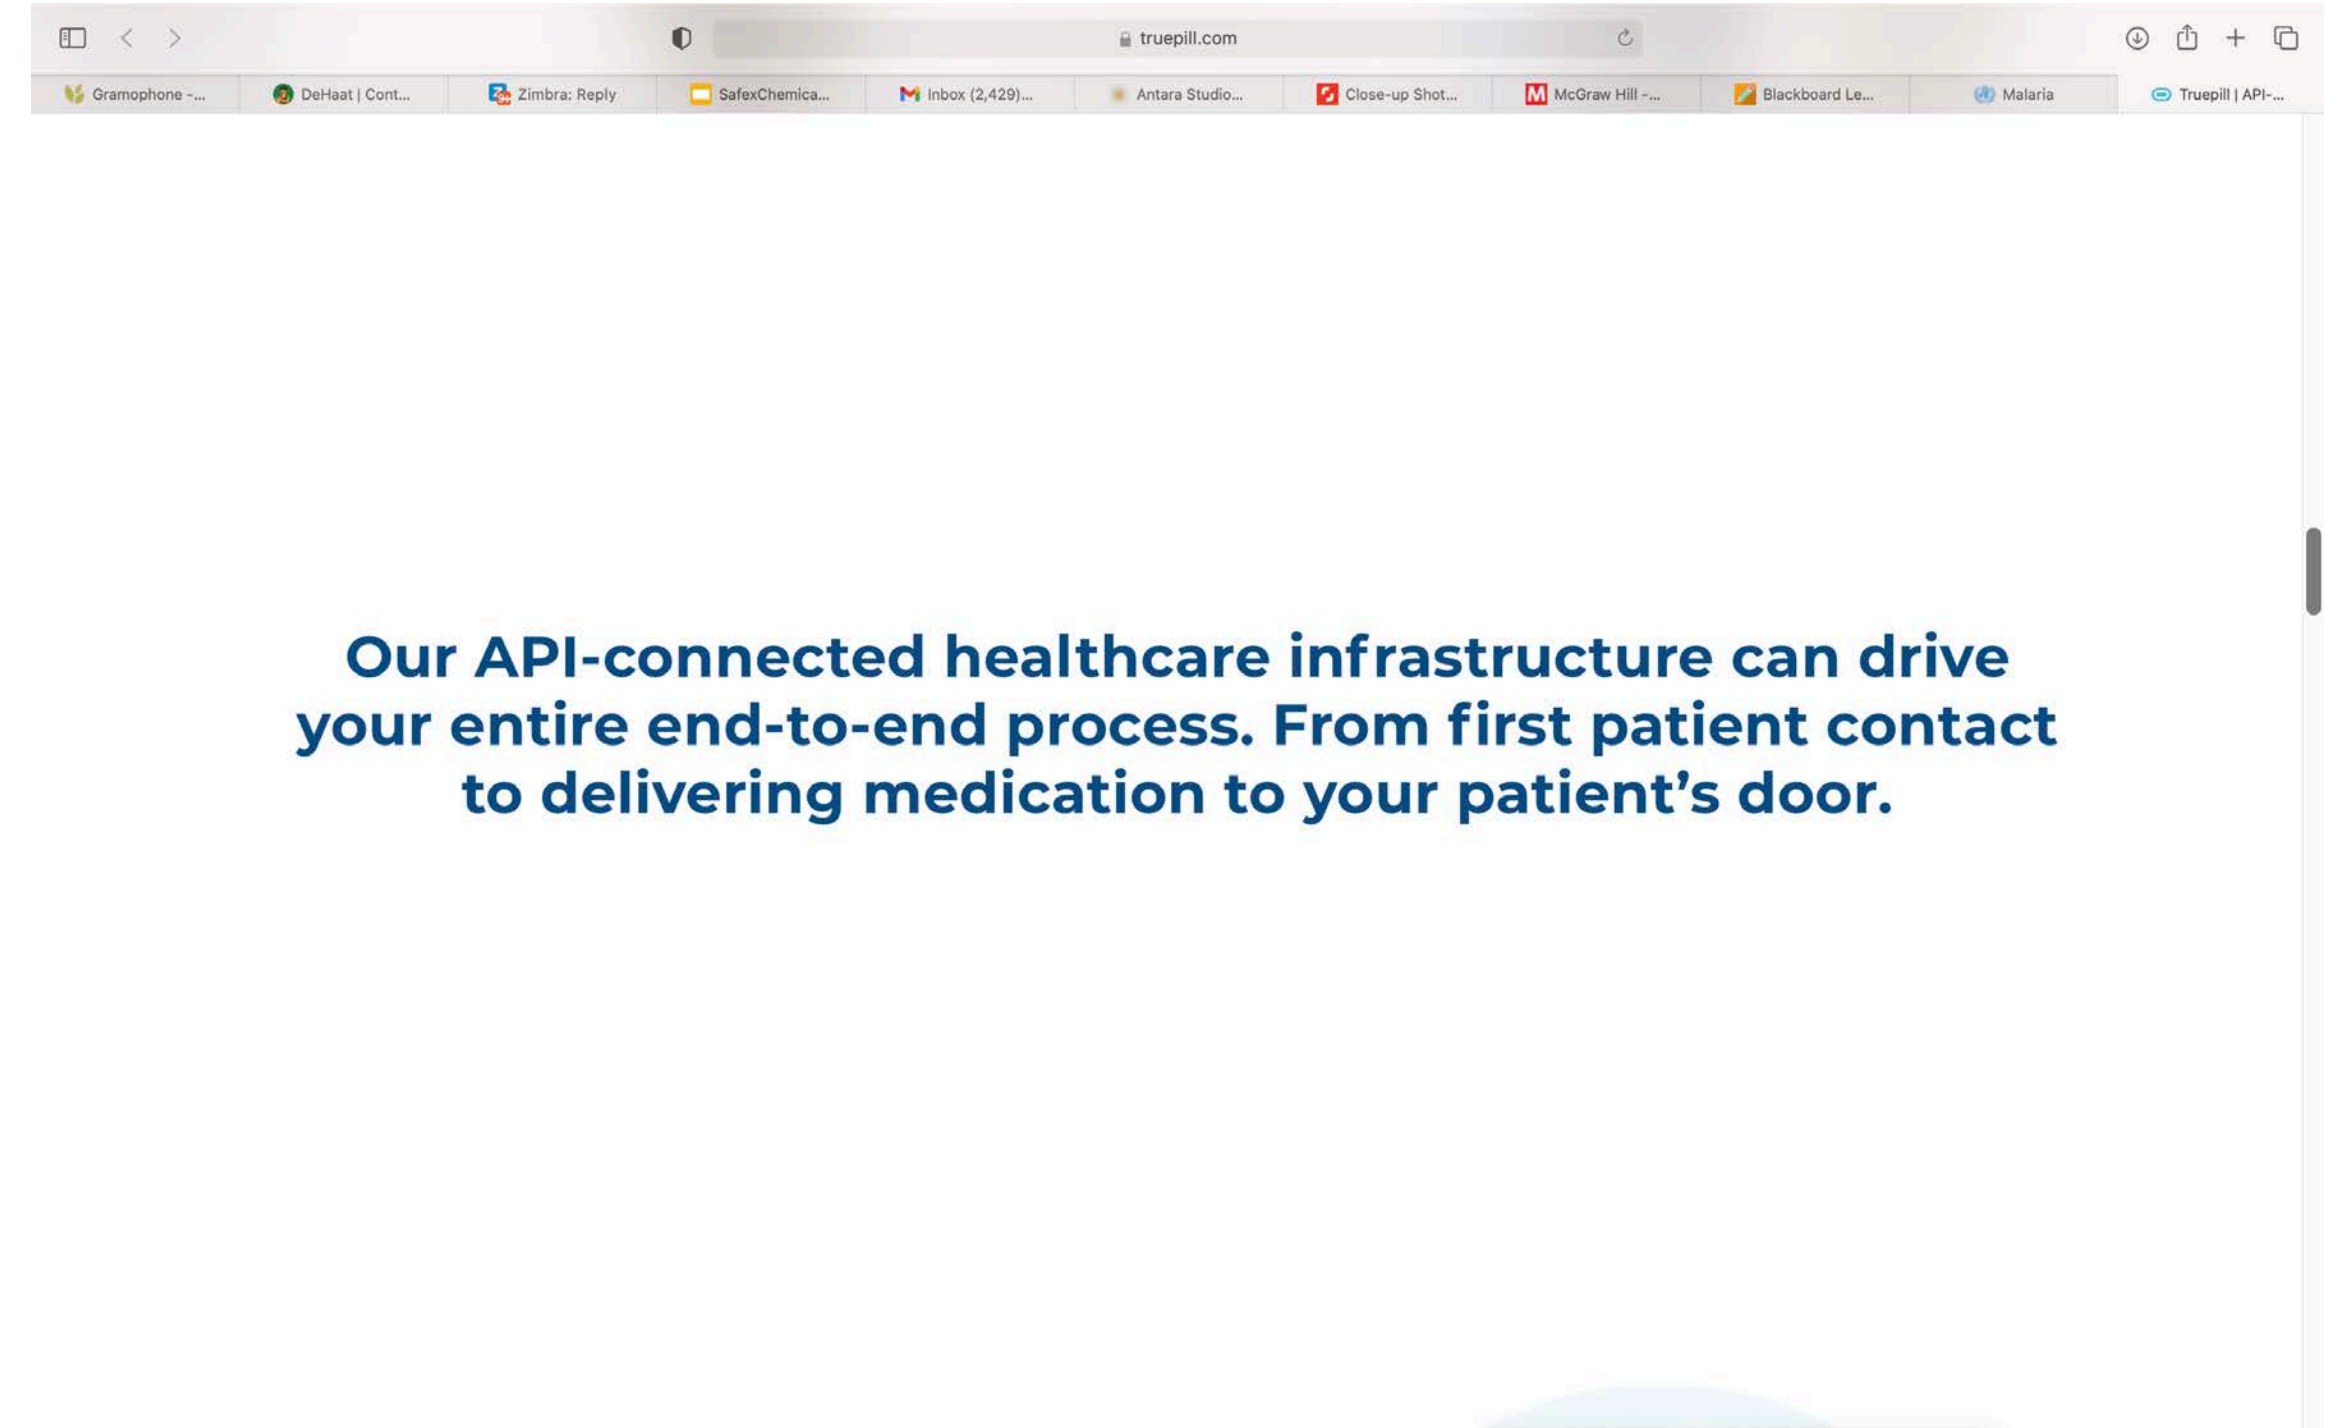

- Tagline:
Indigenous researchers who introducers of popular brands “GOODKNIGHT” and “HIT” in India.

SECTION 5

LEGACY

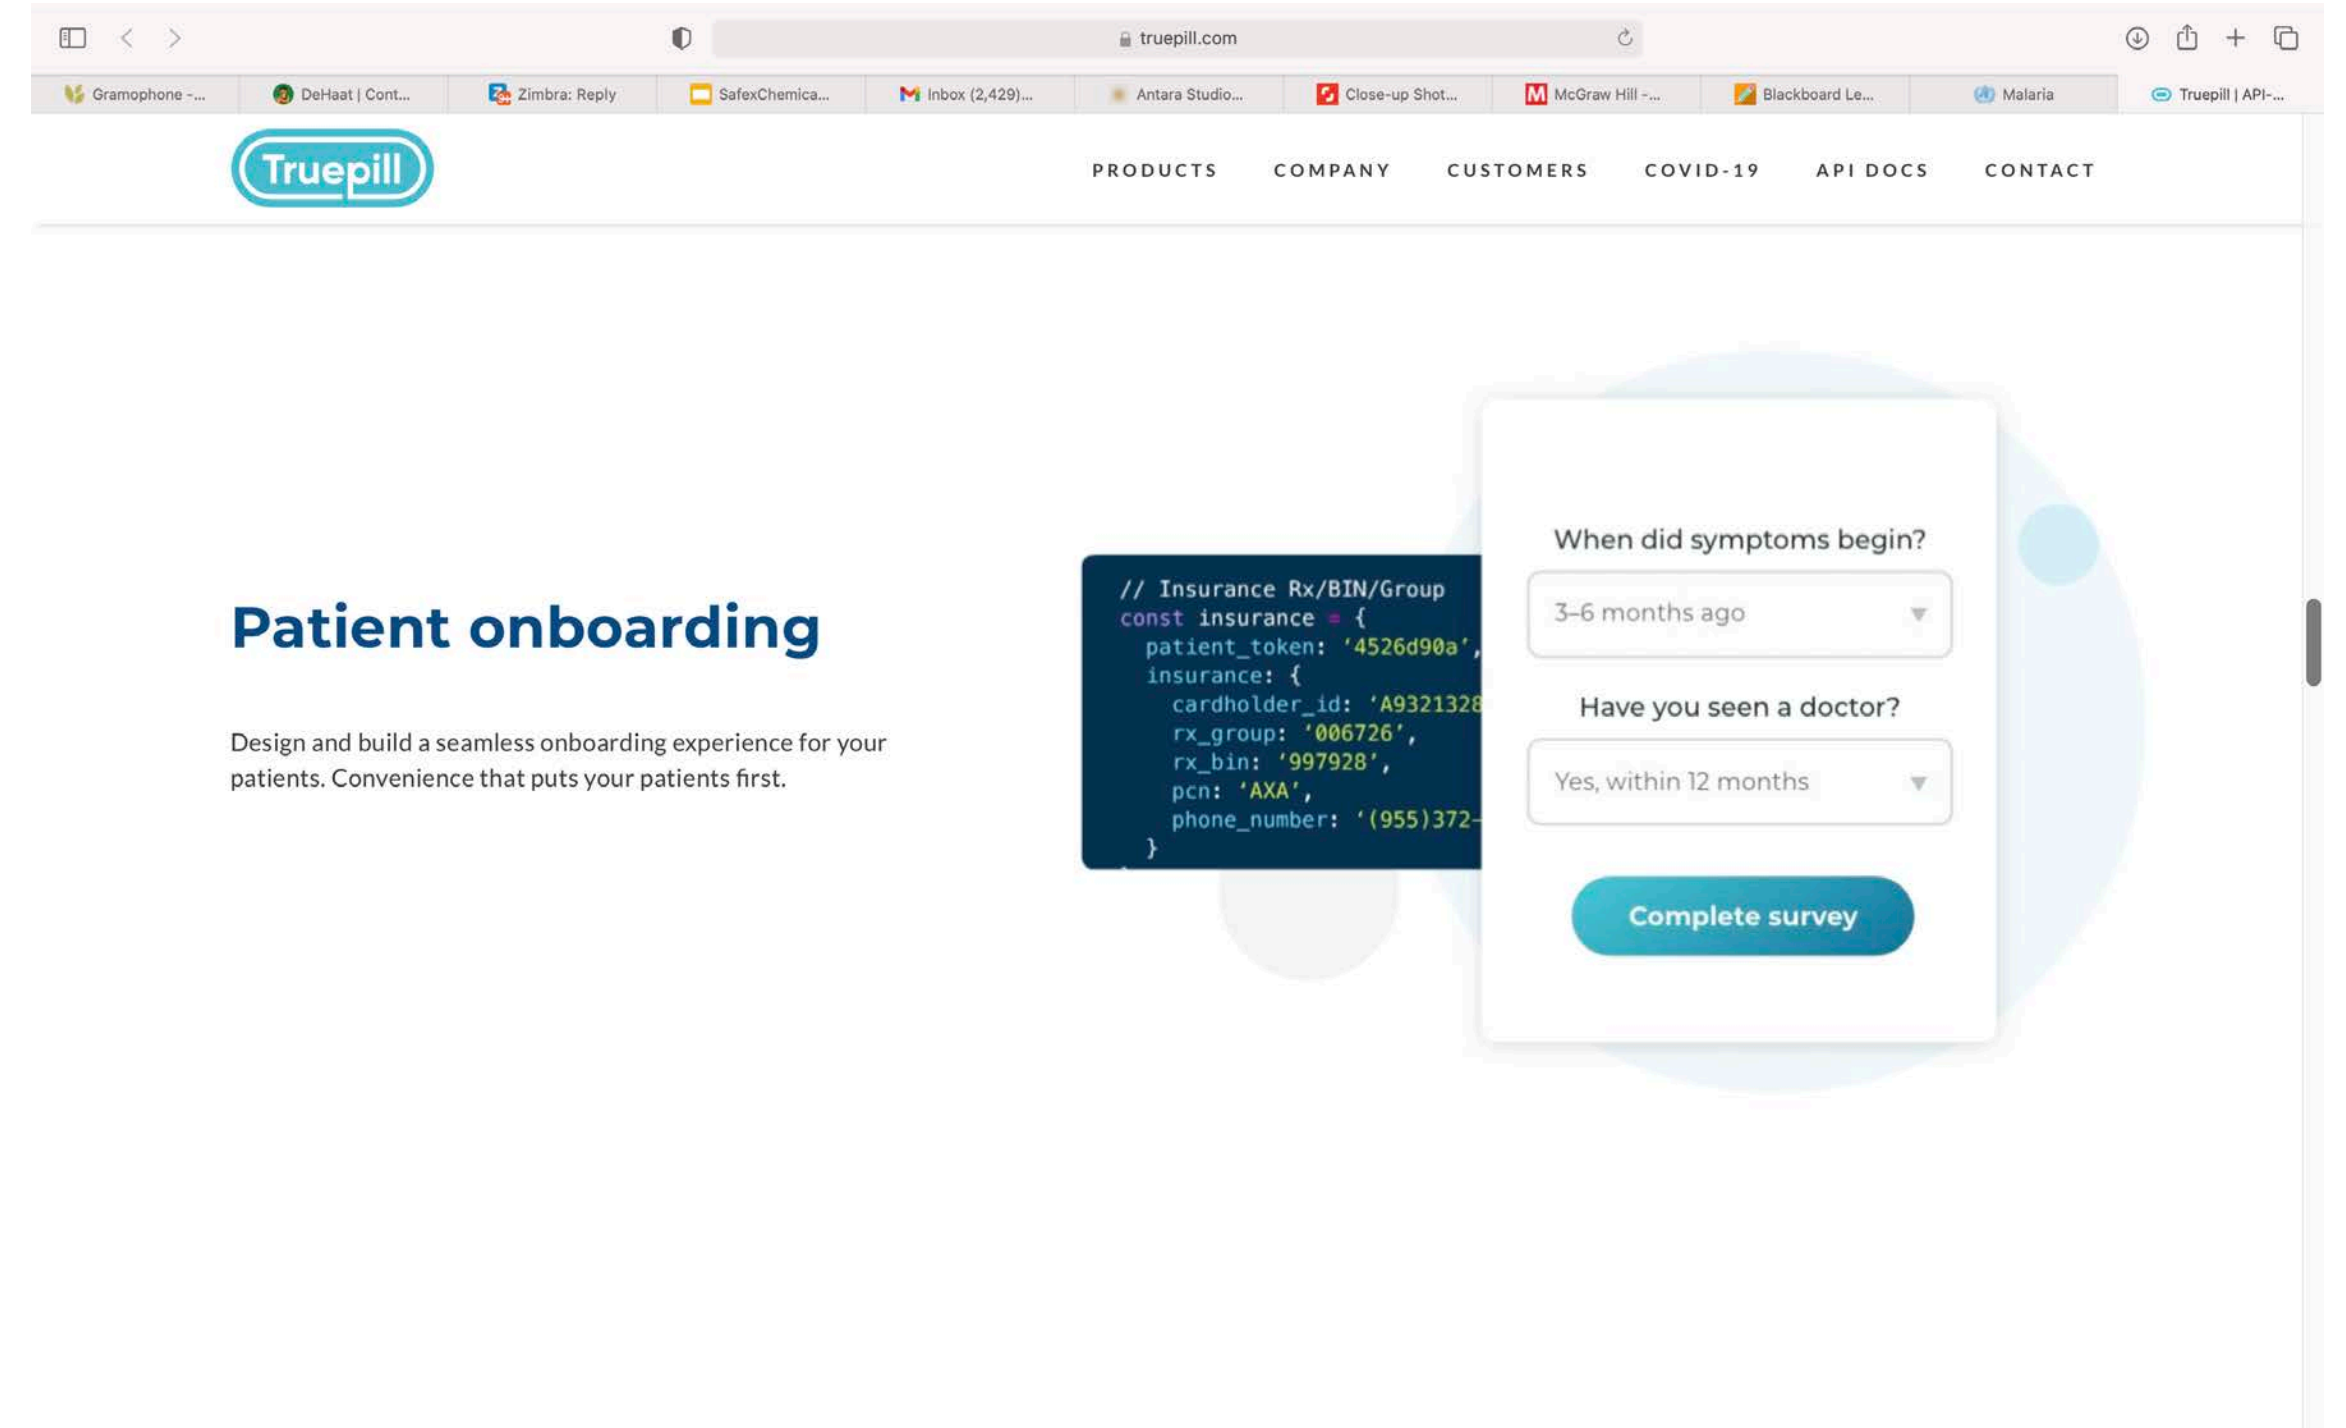

- Text:
At the core we are a research oriented company focused towards development of Active Ingredients (AI) used in household & Agro-chemical products. With present operations spanning 6 countries & patented technologies, we aim to disrupt the Technicals market.

SECTION 6

HOUSEHOLD INSECTICIDES

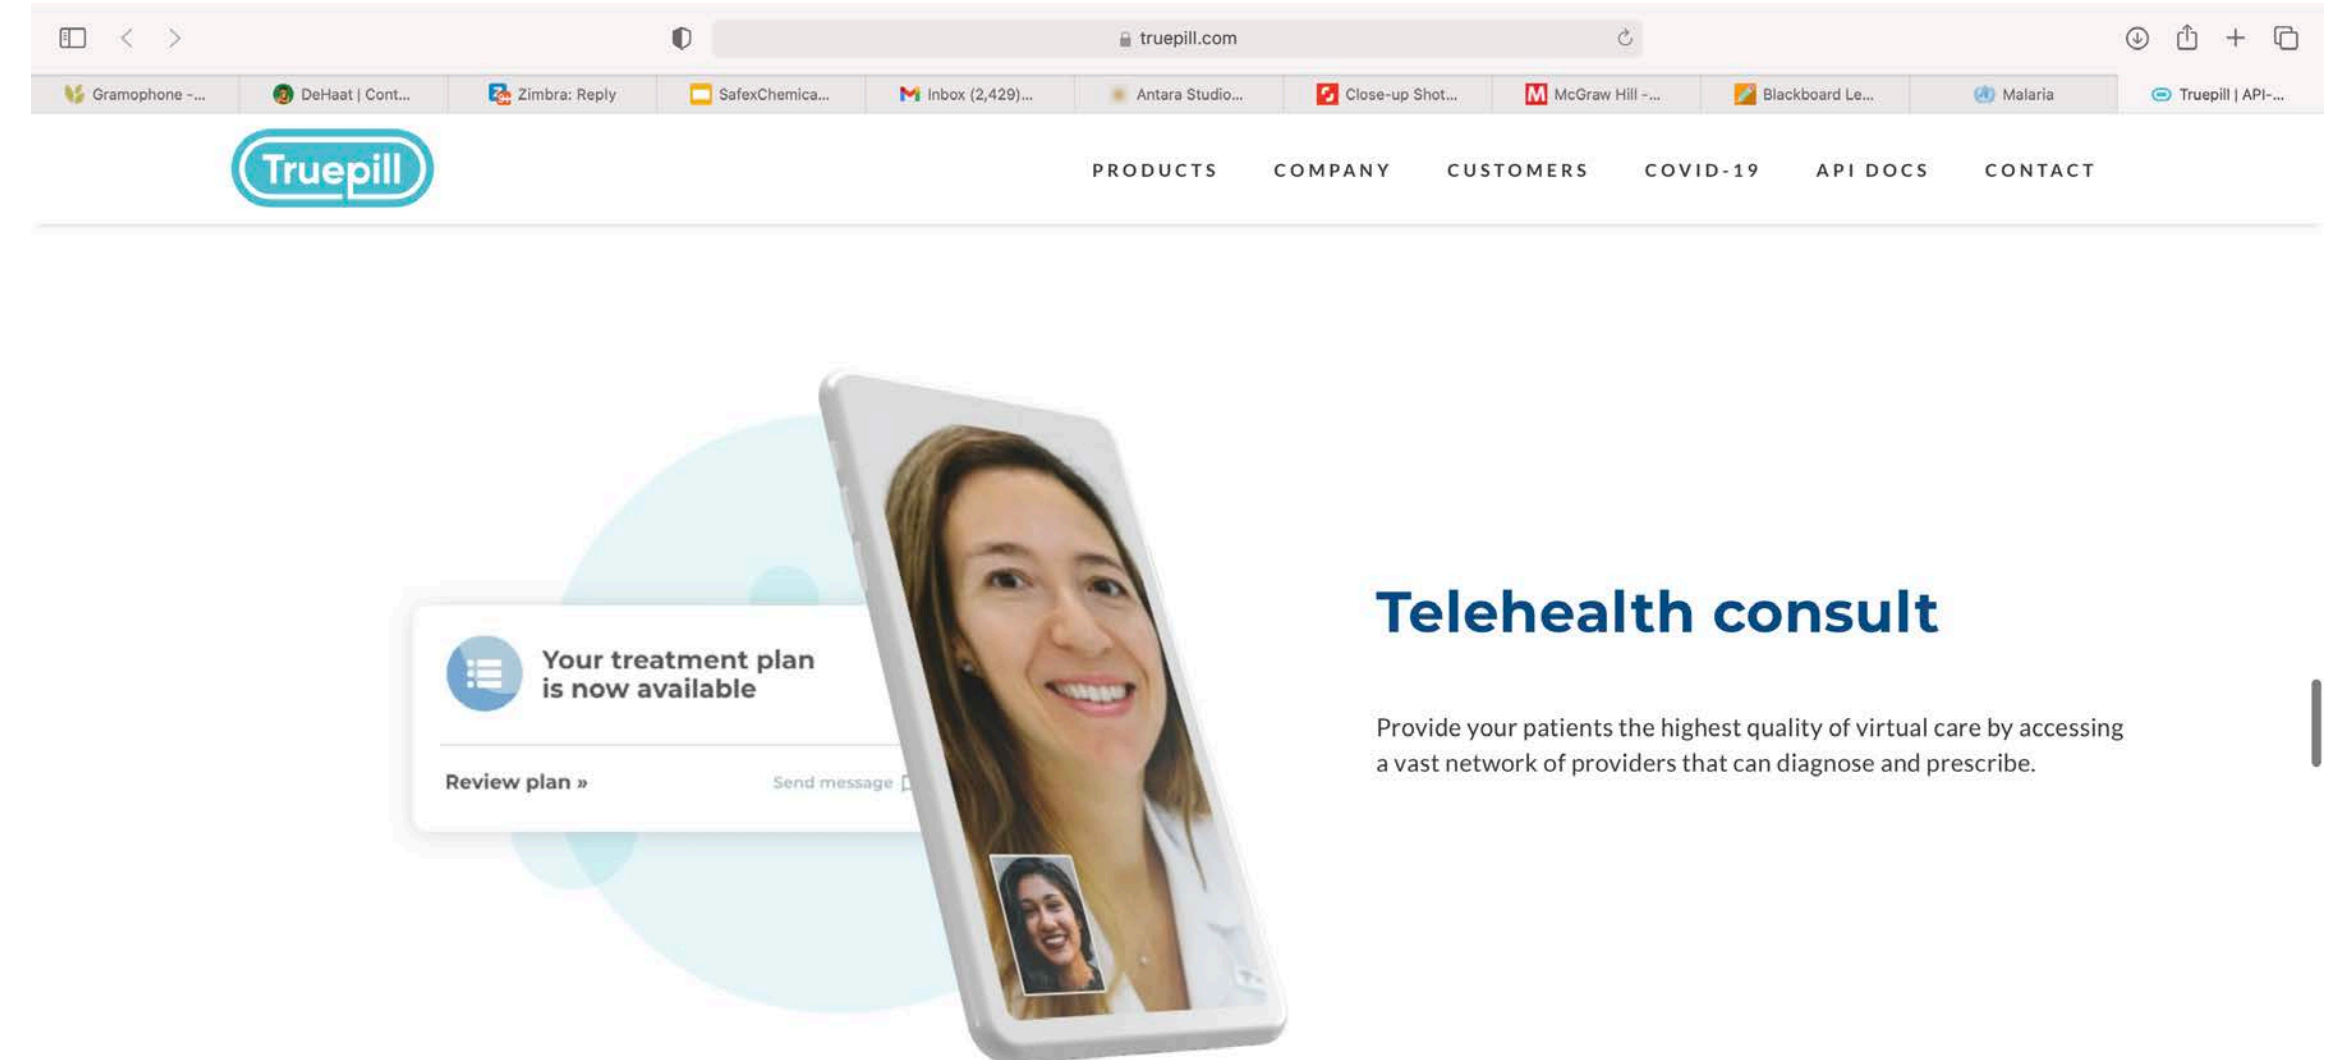

- Text:
We specialize in Technical grade Active Ingredient chemicals used in household insecticide products.
- Read more button

SECTION 7

AGROCHEMICAL A.I.

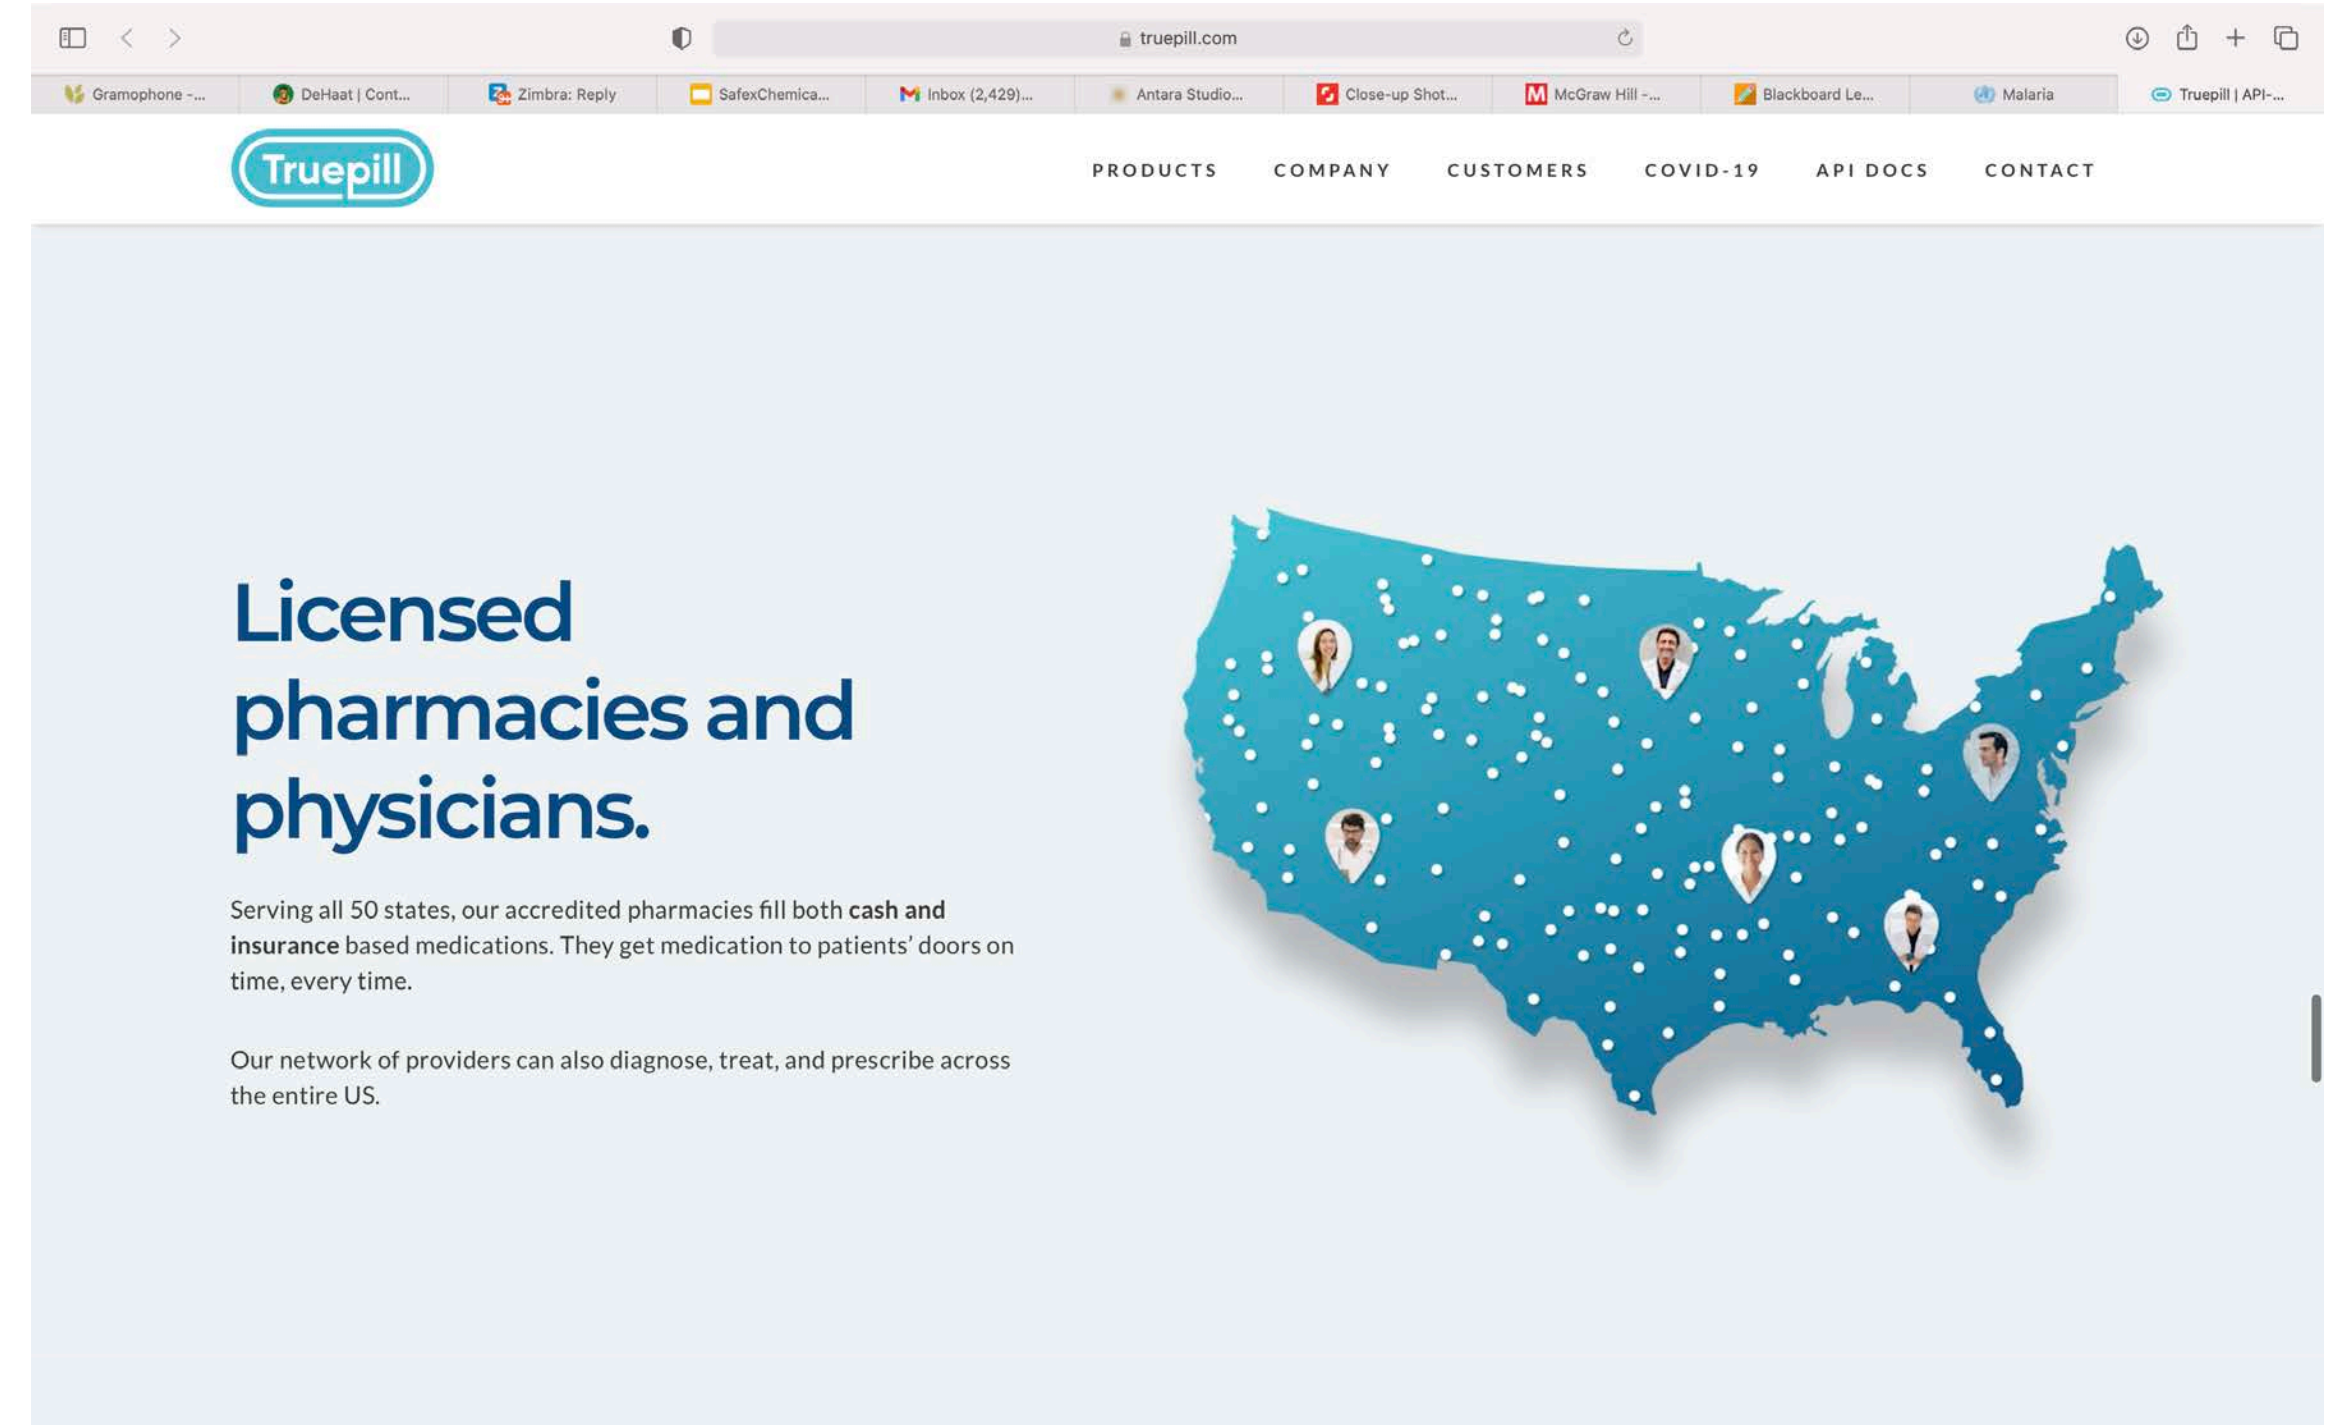

- Text:
We have now started manufacturing of Technical grade Active Ingredient chemicals used in agro-chemical products.
- Read more button

SECTION 9

PRESENT IN OVER 10 COUNTRIES

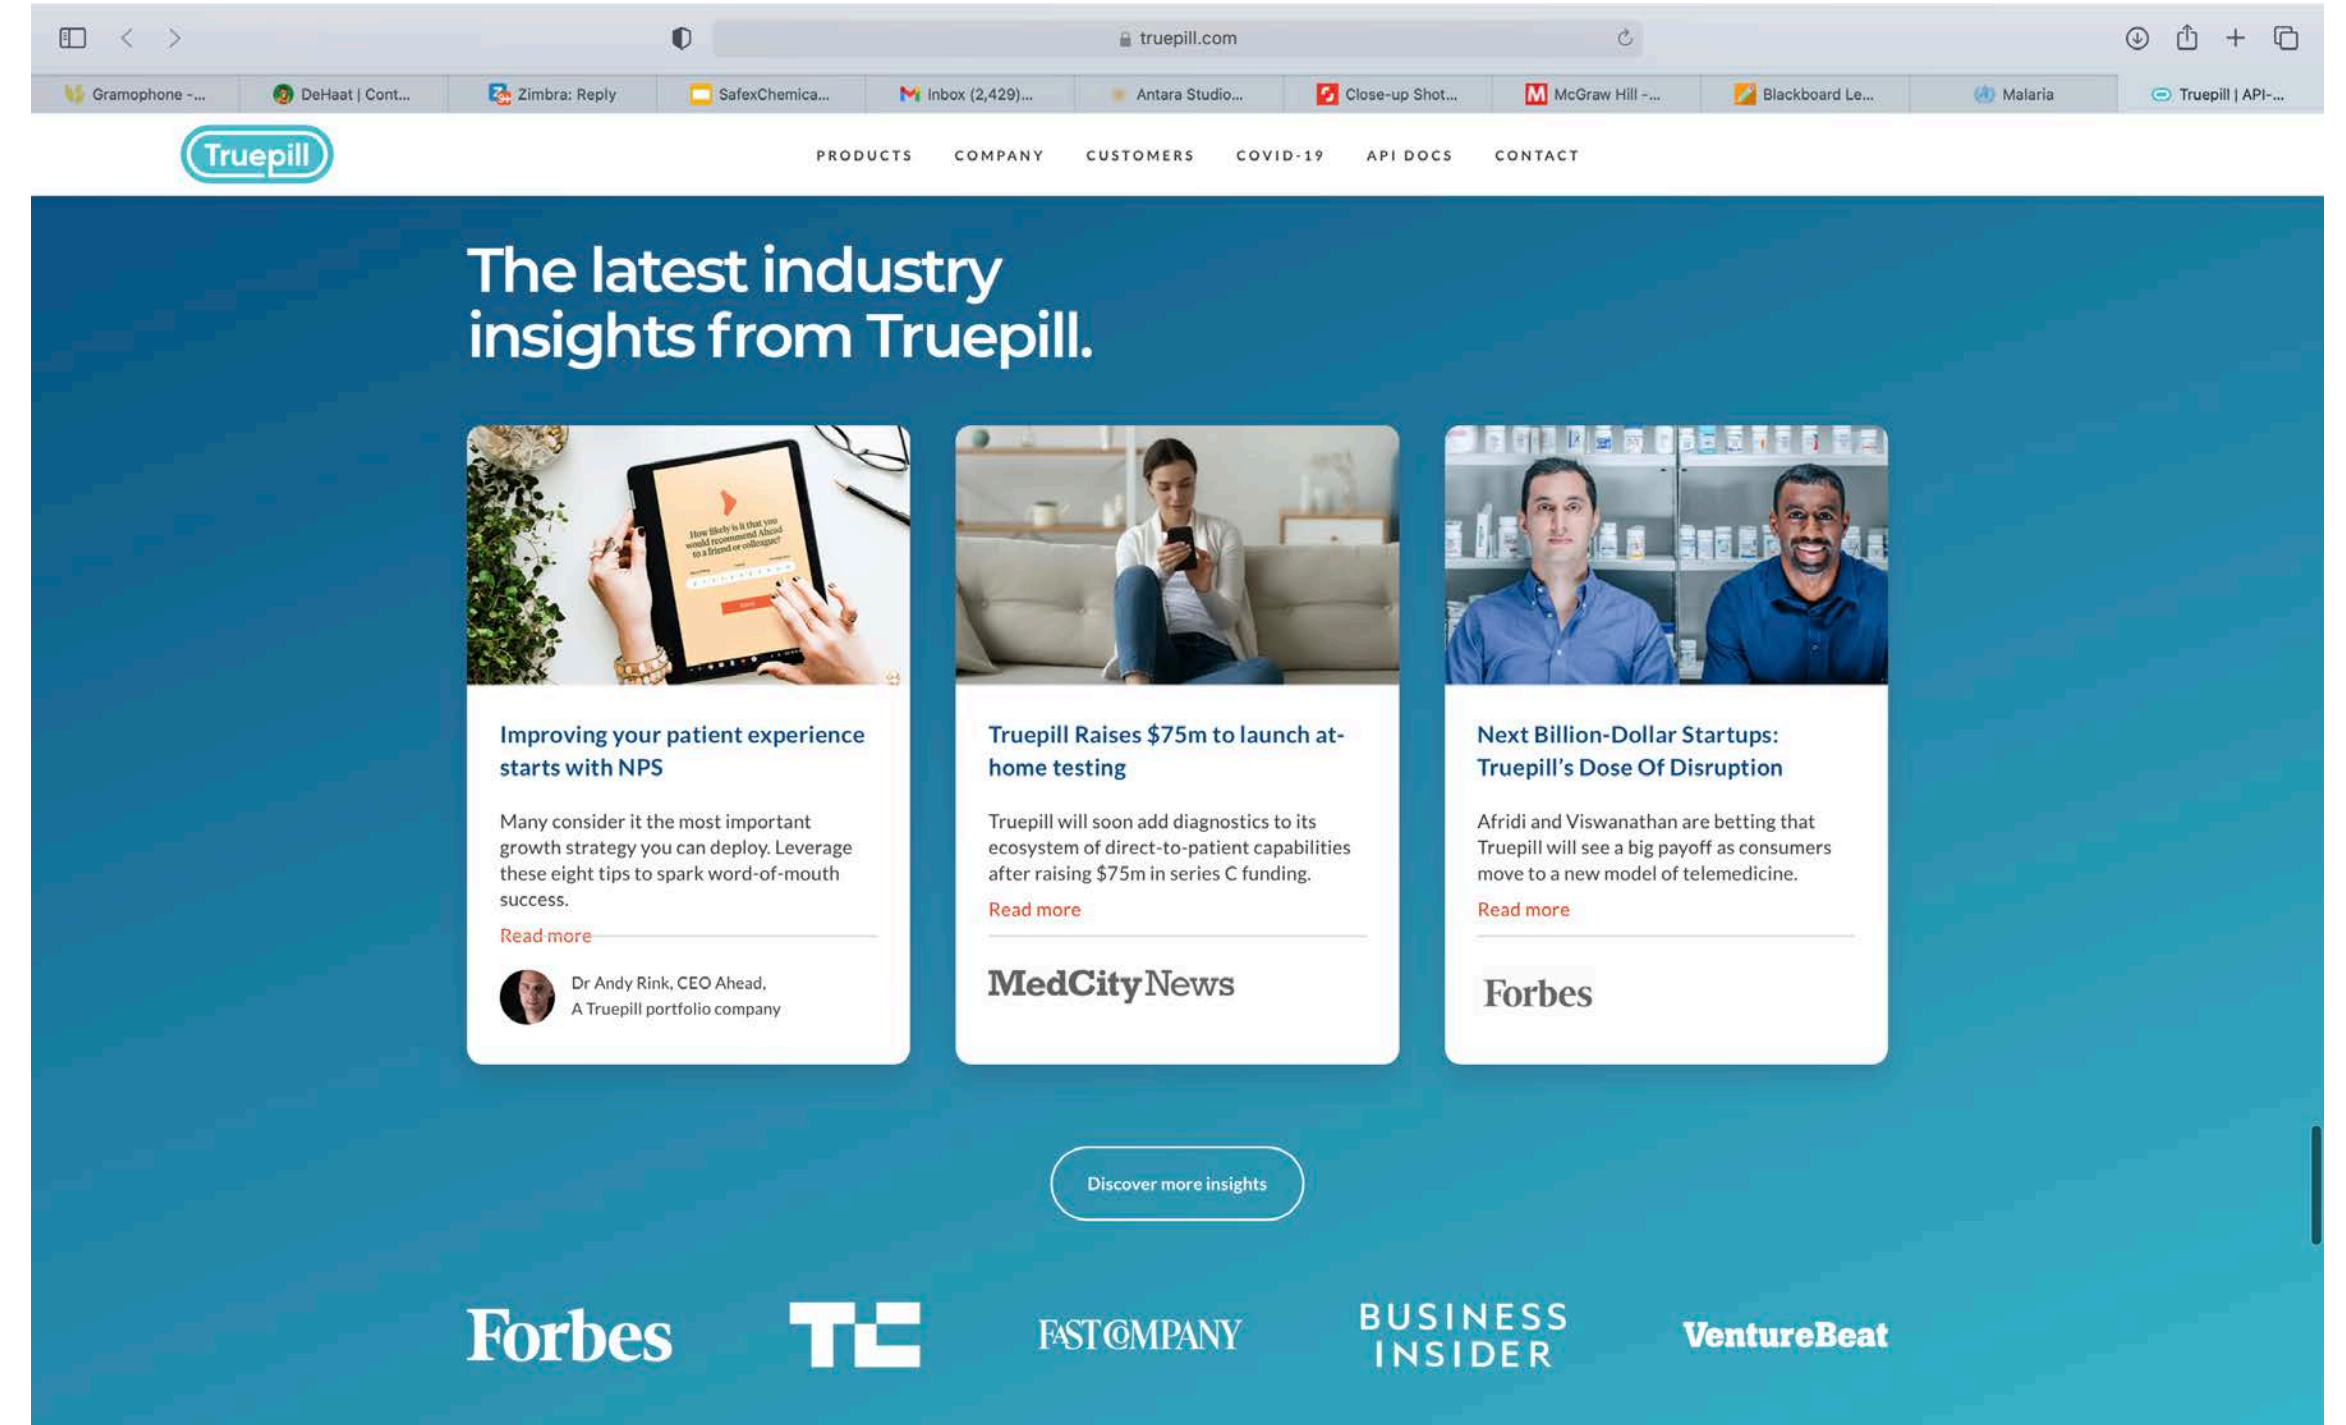

- World Map:
Mexico
Brazil
Kenya
South Africa
Indonesia
Malaysia
Bangladesh
Taiwan
Japan
India
- Text:
We are moving ahead with the vision of a being a global entity. We continue to expand our range of Active Ingredient Chemicals and intend to make them available everywhere in the world.

SECTION 10

PIONEERS CONNECT WITH THE BEST

- We will not have the 3 cards. Instead we will have descriptive text & logos of our major buyers.
- Text:
The best chose only the best to work with. Pride ourselves to be associated with these brands.
